There will also be fully-supported cross-platform action, on top of being able to access your current account, collection, friends list, and more.. But fear not, my friends! MTG Arena is coming to the Mac platform, via the Epic Games Store! Plus it's coming much faster than you'd think, too.. GAMECOMMUNITY. On June 25th, MTG Arena will be available on the Epic Games Store for the Mac I have no idea why it won't have its own program, but I imagine there are enough EGS users on the Mac to warrant it! The game is already available on PC and has been for well over a year now..
