THE LEGION OF THE IRON LION

The Legion of the Iron Lion operates in two cohorts consisting of six centuries, Ferrum, identified by black shoulders, and Leonus, identified by scarlet. Relentless in their pursuit of Orks, these masters of the glaive and servants of the Omnisiah have become the bane of many waaaghs. True to their genetic heritage however, the Legion does not forget its true purpose. Cohort Ferrum's Iron Wing and Cohort Leonus' Lion Wing prosecute the Hunt as directed by the Inner Circle.

Honour the Legion.
